MEMORANDUM FOR: Executive Assistant to the Director
Inspector General
Deputy Director (Plans)
Deputy Director (Intelligence)
Deputy Director (Support) ✓

SUBJECT: Re-Editing and Reissuance of the "Text and
Explanation of the Central Intelligence Agency
Act of 1949, As Amended"

1. In the near future, this office will undertake the re-editing and reissuance of the "Text and Explanation of the Central Intelligence Agency Act of 1949, As Amended". As you may know, this text is a small, paper-backed volume in which all of the provisions of the Central Intelligence Agency Act of 1949, as amended, and certain other provisions of the National Security Act of 1947, as amended, and of other statutes relating specifically to this Agency are set out and explained. With the passage of time, this volume has become outdated as new laws pertaining to the Agency have been passed by the Congress and new Executive Orders signed by the President. To the ends of bringing the present volume up to date and of providing a system whereby new matter may easily be inserted in it, this office plans to re-edit and reissue the present volume. The new volume will be a medium size loose-leaf notebook in which may be inserted the text of new statutes or Executive Orders, as they become effective, and appropriate explanations of these. It is planned that, once the re-editing has been accomplished, the loose-leaf binders will be distributed to interested offices. Thereafter new matter will be periodically distributed for insertion in the binders.

2. It is requested that each of the addressee offices determine the number of such binders which will be needed by them and the various components within their jurisdiction, and that this information be returned to this office. The form appearing on the next page may be used for this purpose.
